LETTER TO THE EXAMINERCommissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In a review of the PAIR System entries for application S.N. 10/677,540 it was discovered that several amendments that were to have been filed in that case were inadvertently submitted to the Patent Office with the wrong application serial number. While the confirmation number on these filings was correct, apparently the amendments were entered into the file for S.N. 10/677,544, which is the case to which the amendments were inadvertently directed by the undersigned agent. These amendments should have been addressed to S.N. 10/677,540 and entered in that case.

Certificate of Transmission under 37 CFR 1.8

I hereby certify that this correspondence is being transmitted by facsimile to the United States Patent and Trademark Office on April 7, 2005 to the central facsimile number 703-872-9306.

Signature

Typed or printed name of person signing Certificate

Note: Each paper must have its own certificate of transmission, or this certificate must identify each submitted paper.

The following amendments listed in the PAIR System for S.N. 10/667,544 were inadvertently filed: June 7, 2004; July 20, 2004; and August 13, 2004. These amendments have been re-filed in the correct case (S.N. 10/667,540). It is requested that these amendments and the associated papers be stricken from the file for application S.N. 10/667,544.

Respectfully submitted,

Michael D. Beck
